1. Our Policy

Curbar Primary School fully recognises its responsibilities for tackling extremism in all forms and its responsibilities in protecting children/young people from exposure to all types of radicalisation.

2. Aims & Principles

This Extremism and Radicalisation Policy is intended to provide us with a framework of dealing with issues of vulnerability, exposure to extreme views and ideologies which are seen to be inflammatory and against the ethos of our school.

We recognise we are in an important position to identify the early signs, looking to safeguard and protect children / young people who are susceptible and vulnerable. We recognise the need to respond in taking appropriate action to prevent extremist views and ideologies developing alongside providing a broad curriculum. This policy sets out how we will deal with this.

Our parents and carers also need an understanding of the issues being well informed of our efforts at every opportunity in order that parents and carers are clear about how the school will deal with such incidents including how our curriculum and ethos underpins our actions.

Effective engagement with our parents/family is also important as they are in a key position to spot signs of radicalisation. It is important to assist and advise families who raise concerns and point them in the right direction for support.

We will make this policy available to our parents/carers, and to our local community. This Policy will also be made available on the school website.

3. Links to other policies

The Tackling Extremism & Radicalisation Policy is linked to the following policies:

- Safeguarding & Child Protection Policy
- Equality & Diversity Policy
- Anti- bullying Policy including Cyberbullying
- Behavioural Management Policy
- On line Safety Policy
- A British values statement
- Equality & Diversity Policy

Furthermore, we will follow the procedures set out by the [Derby City and Derbyshire Safeguarding Children's Partnership](#) with reference to Safeguarding Children and Young People who are deemed to be vulnerable to Violent Extremism:

<http://derbyshirescbs.proceduresonline.com/index.htm>

In tackling extremism and radicalisation we will take account of the following national guidelines and legislation:

- CONTEST (Counter Terrorism Strategy) 2018
- Prevent Duty Guidance for specified local authorities HMI June 2015
- Channel Duty Guidance 2015 (update due for publication June 2020)
- [Counter Terrorism & Border Security Act 2019 \(Security Act 2015\)](#)
<https://www.gov.uk/government/collections/counter-terrorism-and-border-security-bill-2018>
- The Prevent Duty, DfE Departmental advice for schools and child care providers 2015

4. Duties, Powers, Responsibilities

Section 26 of the Counter Terrorism and Security Act 2015 places a duty upon Local Authorities and all specified settings including Schools in the exercise of their functions to have “due regard to the need to prevent people from been drawn into terrorism”. It is applied to bodies in the UK who have significant interaction with people vulnerable to radicalisation.

We are required in our functions under section 26 to:

- Know about and Identify early indicators in pupils.
- Develop the confidence to challenge and intervene.
- Assess the risk of our pupils being drawn into terrorism and terrorist ideology.
- Have clear protocols & keep records.
- Be monitored by Ofsted in how we exercise these duties.

We therefore recognise the Prevent strategy is part of the overall Counter Terrorism Strategy, CONTEST in the UK. The aim of Prevent is to reduce the threat to the UK from terrorism by stopping people becoming terrorist or supporting terrorism.

We understand Channel to be an element of the Prevent strategy aimed at stopping vulnerable people being drawn into terrorism, a programme working to challenge extremist ideas who work with individuals including children and young people.

We will work with the Local Authority and with other agencies in making sure we undertake our duties under Prevent.

We have a duty to safeguard pupils/students from potentially harmful and inappropriate on line material and will ensure appropriate systems are in place in the school to help ensure our learners are safe and free from materials deemed extremist by virtue of their nature and ideology.

5. Definitions & Indicators

We recognise that extremism is defined as the holding of extreme political or religious views. It is a vocal or active opposition to British values, including democracy, the rule of law, individual liberty, mutual respect and the tolerance of different faiths and beliefs. We also include in our definition any calls for the death of members of our armed forces, whether in this country or abroad.

We recognise radicalisation as the process by which people come to support terrorism, violent extremism and, in some cases, to then participate in terrorist groups, which can mean leaving their country to pursue this.

We recognise that children / young people can be enticed into radicalisation as they are more vulnerable and susceptible to this. They therefore can be drawn into violence or they can be exposed to the messages of extremist groups by many means especially on line and through social media. The school recognise that social media is increasingly a child's or young person preferred method of communication which can increase their risk to exposure to radicalisation.

Messages, views, ideologies that are extremist can come from parents/carers, family members or friends, and/or from direct contact with member groups and organisations. It can come from staff within an organisation, or be brought into a School by staff, governors, or volunteers.

Research has identified helpful lists of indicators based on actual UK case studies which would identify how a child or young person is vulnerable to radicalisation.

The risk of radicalisation is the product of a number of factors and identifying this risk requires all our staff in being able to exercise their judgement in raising any concern and reporting to the appropriate leads within the school.

We understand the following concerns as some indicators of vulnerability in children / young people to radicalisation and ones that are based upon research and from examples of case studies but that there is no definitive list and all these following concerns, indicators, factors and risk indicators are to be taken into account:

- Identity Crisis - distance from cultural/religious heritage and uncomfortable with their place in society around them;

- Personal Crisis - family tensions, grief / loss, sense of isolation, adolescence, low self-esteem, disassociation with existing friendship groups, becoming involved in new and different groups of friends, searching for answers to questions about identity, faith and belonging;
- Personal Circumstances - migration, local community tensions, events affecting country or region of origin, having a sense of grievance that is triggered by personal experience racism, discrimination or aspects of government policy;
- Unmet Aspirations - perceptions of injustice, feeling of failure, rejection of civic life;
- Criminality - experiences of imprisonment, poor resettlement/reintegration, previous involvement with criminal groups.

We recognise the following potential diagnostic Indicators identified in the Channel Guidance which include:

- Use of language seen to be inappropriate (e.g. causing distress or alarm and perceived to be prejudiced, inflammatory, or hateful).
- Noticeable behavioural changes.
- Expression of extreme views.
- Possession of extremist literature.
- Advocating violent actions and means.
- Seeking to recruit others to an extremist ideology.

We also understand these critical risk factors which indicate a possible process of potential grooming/entrapment:

- Changes in faith/ideology.
- Sudden name change linked to a different faith/ideology.
- Significant changes in appearance.
- Secrecy on the internet & access to websites with a social networking element.
- Narrow/limited religious or political view.
- Attendance at certain meetings e.g. rallies and articulating support for.
- “Them” and “us” language/rhetoric.
- Justifying the use of violence to solve societal issues.
- Isolation from usual friends, family or social groups.
- Sudden unexplained foreign travel.

We will assess and monitor the risk of children being drawn into terrorism; the general risks may vary from area to area, and according to their age, local threat and proportionality. This School recognises we are in an important position to identify risks within our local context.

We will use our Child Protection/Safeguarding Report form used to raise safeguarding concerns in the school on an individual pupil and a risk assessment if the concern is a Prevent concern. If the concern is a Prevent concern we will use the guidance and assessment as prescribed by the local authority. **We will therefore, follow the Prevent School Pathway, 2019 and as described in Appendix A.**

We will try and help our pupils to keep safe on line and consider the impact of social media networking sites with additional consideration to the threat of exposure to extremism and radicalisation. We are aware of the increased risk of on-line radicalisation and how terrorist groups seek to radicalise young people on line.

We understand the risks of Cybercrime and the link to terrorism. As designated leads in the school, we have accessed the Safer Derbyshire website to learn more and to inform all staff:
<https://www.saferderbyshire.gov.uk/what-we-do/cyber-crime/cyber-crime.aspx>

And we have read the Gov. Uk schools guide on the use of social media and on line radicalisation:
<https://www.gov.uk/government/publications/the-use-of-social-media-for-online-radicalisation>

We will use appropriate levels of filtering and consult with the relevant IT providers and provide training where necessary to staff and learners, where appropriate. We will work in accordance with the guidelines around monitoring staff and learner usage when accessing the internet in school. We will produce audit reports to help detect any staff or learner who may be vulnerable from trying to access sites when in school.

We will follow our current On Line Safety Policy & Acceptable Use Policy for Staff to support the work around tackling extremism.

6. The Role of the curriculum

We will work to ensure that our pupils will be skilled and equipped to be resilient and resist involvement in extreme or radical activities. Therefore we recognise the need to build resilience

in our pupils to make them less vulnerable. We aim to include in the curriculum learning around threat and risk and on line radicalisation.

We will therefore provide a broad and balanced curriculum within which we aim to support pupils, Spiritual, Moral, Social and Cultural development (SMSC). SMSC development is promoted through all our subjects, including the ethos of our school where development of positive attitudes and values is central to everything we do.

Values underpinning public life in the UK have been summarised as democracy, the rule of law, individual liberty, mutual respect, and the tolerance of those with different faiths and beliefs. It is important that our pupils understand this through different approaches using a balanced and broad curriculum. This supports our pupils to be responsible citizens and prepares for an adult life living and working in Britain which is diverse and changing.

Our School will ensure the promotion of British values and that these efforts are inclusive and promote unity between pupils, parents/carers and the local community.

(Add/cross reference to the schools British Values Statement/policy, equalities policy or similar around SMSC)

7. Training

As part of our statutory duties and through opportunities we will ensure that all staff are fully aware of the threats, risks and vulnerabilities that are linked to extremism and radicalisation. This includes been alert to early indicators, responding to and reporting. This will include all staff including volunteers, governors and will be incorporated into staff induction training.

We will ensure that all staff are trained to be equipped and skilled in this field, making available training resources and support opportunities where required. We will follow the recommendations of the Local Authority and ensure staff undertake Prevent/WRAP, or other recommended training that is relevant to the job role within the school.

In making sure that support needs are met of the pupils that staff including volunteers and governors understand Channel, Channel strategies and how to refer into Channel using local processes.

8. Procedures for Referrals

We will treat any worry or concern that a child or young person in the School may be exposed to possible extremism, extremist ideology and or radicalisation **as a possible safeguarding concern and will seek advice where appropriate.**

Recent case studies and from Derbyshire's own experiences have identified the following Schools have been concerned about and sought advice on:

- Parents/carers presenting worrying views to any Teacher, visitor or Governor;
- A Staff member, governor, volunteer or visitor presenting concerning views;
- Access to radical teachings by anyone in the School;
- Online exposure and the viewing of on line materials seen to be concerning, disturbing, inflammatory, or anti- British in tone;

- Taking action to remove children from curriculum based activities or visits on the basis of a view seen to be perceived as linked to an extreme view, ideology or irrational fear, or using health and safety reasons.

All concerns and incidents will be brought to the attention of the Designated Safeguarding Lead, who will follow the agreed procedures, as described in Appendix A.

The Department of Education has also a dedicated a telephone helpline (020 7340 7264) to enable staff and governors to raise concerns related to extremism. It is not intended for use in emergency situations.

Where a concern or incident is judged to be immediate and serious an appropriate lead in the School will contact the police directly using 999.

All concerns will be referred by the Safeguarding Designated Lead into police Prevent by using the agreed form:

www.saferderbyshire.gov.uk/preventreferral

We will as a school display for all staff, an agreed schools response to individual cases, to help assist the Designated Safeguarding Lead in determining an appropriate response.

11. Stay Safe- terrorist fire arm attack

This link features Government guidance and a short film called 'Stay Safe' about what action to take if a school/any setting is caught up in a terrorist firearms attack. We will inform our staff of such a guidance and familiarize all staff with the 'Run, Hide, and Tell'.

<https://www.youtube.com/watch?v=4jxOXbpTmnk>

The current response for a school is training staff in 'Run, Hide, and Tell' as recommend by the DfE. As a Local Authority we want to ensure all staff have the information needed to help them stay safe.

It's important all staff:

- are alert but not alarmed
- are vigilant and report suspicious behaviour
- plan ahead what to do to stay safe.

Nationally there are five levels of threat:

- LOW - means an attack is highly unlikely
- MODERATE - means an attack is possible, but not likely
- SUBSTANTIAL - means an attack is likely
- SEVERE - means an attack is highly likely
- CRITICAL - means an attack is highly likely in the near future

The Stay Safe principles are: Run, Hide and Tell

Run

- If there is a safe route, run, if not hide.
- Insist others go with you.
- Don't let them slow you down.
- Leave your belongings behind.

Hide

- If you can't run, hide.
- Find cover from gunfire.
- Be aware of your exits.
- Try not to get trapped.
- Lock yourself in a room if you can.
- Move away from the door.
- Be very quiet, turn off your phone.
- Barricade yourself in.

Tell

Call 999 - What do the police need to know?

- Dial 999 when you are safe.
- Give your location.
- Give the direction the attacker is moving in.
- Describe the attacker, especially things that cannot be changed such as tattoos, facial hair, ethnicity etc.
- Give any further information.
- Can you safely stop others from entering the area?
